MBIE’s Migration Research & Evaluation Team and a preview of the 2015/16 Migration Trends Report
The MBIE Immigration Research & Evaluation team has changed post-restructure

- Restructure took effect 1 year ago
- Portfolio approach
- Supply and demand
- Advisory
Our work supports policy development, operational policy, and strategic intent

• Advice – “help us understand your information need”
• Ad hoc – how many skilled migrants have jobs in Blenheim
• Analysis – informing NZRP recommendations
• Dashboards – Refugee resettlement
• Surveys – Customer Experience Survey
• IDI Research – Student visa transitions
• Economic Research – Labour market outcomes
• Evaluation - Global Impact Visa
• Contract management – some of the above
We are building an immigration measurement framework with colleagues in our wider business group

- Migration Trends relocate to Labour Market Trends
- Immigration Measurement Framework
  - PLT – arrival and departure cards
  - Visa Approvals – administrative data about visa application decisions
  - People Approvals – counts of people with 1 or more visas
  - Spells Dataset – stock of people at a point in time
Migration Trends – some key facts and highlights

• Annual report
• Contributes to OECD Annual Report – “International Migration Outlook”
